

# The Quorum Commitment to Institutions

Access | Efficiency | Quality

Exceptional service, streamlined study start-up time, and efficient study processes that put you in control—the difference is dependable dedication to your research.

## One-Touch Collaboration

One-Touch Collaboration™ is why **Quorum is the most preferred central IRB among institutions**—it is our goal to build a collaborative community, proactively facilitate your study experience, and deliver unmatched support. You'll gain:

- One dedicated institutions team working with sponsors on your behalf
- One study contact who knows your policies
- One stream of clear, coordinated communications
- One form and IRB submission process for researchers—we accept your institution's forms

## Platinum Program

**Want to get noticed by sponsors?** Become a member of the Quorum Platinum Program and elevate your institution's status. You'll achieve higher visibility with sponsors and get insider access to resources and education.

In addition to One-Touch Collaboration, Platinum members enjoy prominent Site Match™ status, which is a service used by sponsors to select experienced and qualified research sites.

### Advantages of Platinum Status

**Increase your institution's visibility to sponsors** that are looking for high-quality study partners in your therapeutic areas of interest. Plus, your institution will:

- Gain recognition for your responsiveness and collaboration over the life of the studies you conduct—and get the word out
- Access complimentary, accredited CEU webinars
- Influence the industry through opportunities to participate in advisory panels
- Pursue exclusive ongoing IRB training with Quorum

Want to join the Quorum Platinum Program?  
Contact a Quorum representative today to  
discover how to become a member of an elite  
community of research institutions.
